ABOUT ME

Aspiring iOS and Web Developer currently studying Statistics and Business Information Technology at Chulalongkorn University. Experienced in developing mobile applications using SwiftUI, and building responsive websites. Possess basic knowledge of Python and foundational understanding of system design and UI/UX principles. I aim to apply my technical and creative thinking, along with teamwork and communication skills, to real-world software solutions through a dynamic internship.

EDUCATION

- B.Sc. in Statistics (Business Information Technology Major)
- Chulalongkorn University – Faculty of Commerce and Accountancy
   - Second-Class Honors | Expected Graduation: Dec 2025
   - A grades in: Calculus I & II, Linear Algebra, Programming, Web Dev, Infra, Database, Data Visualization, Human-Computer Interaction(HCI), Data Acquisition Prep, Tax Law, Thai Arts I, Earth Sciences
   - GPA per semester: 3.73, 3.05, 3.09, 3.71, 3.21

SKILLS

- Languages: Swift, Python, HTML, JavaScript, SQL
- Frameworks: SwiftUI, CoreData, SwiftData, Firebase
- Tools: Figma, Swift Playgrounds, Google Colab, Visual Studio Code
- Concepts & Principles: System Analysis & Design, UI/UX, HCI, Data Visualization

PROJECTS

- ShiServe (Room Reservation App): SwiftUI-based iOS app with bilingual interface, login, profile, and policy modules.
- Mu Te Lu (Spiritual Guide App): Location-aware app for sacred site suggestions with cultural filters and modern UI.
- AI-based Recommender System, Data Acquisition Workflow (A-graded group projects)

EXTRA-CURRICULAR

- Runner-up – University SaaS Coding Competition
- Volunteer – Data & System Design Team, CU Project Fair
- Head Student – 3rd-Year Student Representative, Statistics Department
- Project Leader – "Stat Sumpan" Social-Bonding Event Organizer (2024)

INTERESTS

- Mobile App Design
- Human-Centered Design
- AI for Education (EdTech)
- Health Technology & Wellness Innovation (Health Tech)
- Sustainable Tech for Social Impact (Green Tech)

LANGUAGES

- Thai: Native
- English: Intermediate (good technical reading & writing)
